# *Roosevelt Is Unique*

*An old school, steeped in tradition, Roosevelt is changing as rapidly as the world around it, accepting new ideas and presenting new challenges to its student body, combining the best of the old with the best of the new.*

*United in spirit and purpose, Roosevelt students have the ability to rise to an occasion and think, function, and speak as one body, but at the same time, retaining the individuality of 2300 separate personalities.*

*Roosevelt students exist in a world all their own, separated from the rest of the city by their loyalty and unity, yet concerned with civic and national affairs and willing to become "involved."*

*Above all, Roosevelt is a leader in all fields, respected and envied by her competitors, yet anxious for suggestions and willing to accept a better idea. The Roosevelt student body knows when to lead and when to follow.*

*Roosevelt is unique.*

## *Academics*

*A sliver of sparkle reflected from a test tube sets off a glimmer of awareness. Four hundred words of an historic essay maintain meaning for a modern mind. A sketch, a line, a group of numbers skimming paper become a reality of learning. The beautifully woven threads of tradition — the prisms of bursting change — Education!*

## Administration Formulates Roosevelt Policy and

Leading Roosevelt with a strong sense of direction, Dr. Charles Rowley has brought innovation and change.

Implementing plans for improved educational opportunities, Dr. Rowley, in cooperation with others, provided for a new typing room and additional science instructors.

Public and inter-school affairs, as well as those of Roosevelt, are supervised by Dr. Rowley in his role as chief administrator. With a multiplicity of purpose, he endeavors to retain the organization and unity of the student body, and to establish proper rapport between faculty and students.

## Supports Student Activities

Having served Roosevelt for two and one-half years in the capacity of Boys' Advisor, Mr. Don Blackman bid farewell to the Roughriders in mid-January to become principal at Woodrow Wilson Junior High.

Assuming Mr. Blackman's duties as vice-principal was Mr. John Barrett, former American History teacher at Roosevelt. Mr. Barrett quickly adjusted to the transition from instructor to administrator. As boys' advisor, Mr. Barrett sponsors Boys' Club as well as dealing with disciplinary problems.

A familiar person to all Roosevelt students, Mrs. Velma Cross fills the position of girls' advisor. In addition to coping with disciplinary actions, Mrs. Cross actively sponsors various school activities. Under her careful supervision, the functions of Girls' Club are carried out effectively. The senior board, co-ordinated and counseled by Mrs. Cross, works to benefit the entire graduating class.

## Vocabulary, Composition, Reading,

Emphasis on English skills as a basis for all other learning was stressed at Roosevelt. Intense reading characterized the curriculum at every grade level; sophomores found interest in a repertoire of fiction books, junior classes studied numerous American classics, and seniors concentrated on English plays, poetry, and novels.

Each grade continues study in various techniques and aspects of composition, writing, and vocabulary. Following the three required years, English proved popular as an elective for college bound and opinion-conscious seniors.

# Social Science Classes Ponder Problems Of an Ever Expanding and Complex World

The whole fabric of society, its past, present, and future, are the province of the student in social science. Through world history, American history, political science, and economics, the skills and contributions of the social scientist are utilized to help one interpret, understand, and appreciate man's quest toward social order.

Many new materials, reflecting the latest scholarship, were studied in the new advanced course in economics added this year.

## Foreign Languages:

With foreign affairs a major issue in the world today, an increasing emphasis has been placed on foreign languages and the need for communication among nations.

Schools all over are stressing the growing importance of a foreign language; Roosevelt is no exception. With the aid of prepared texts and extensive lab sessions, the challenge of learning a language has become not only practical, but also entertaining. Grammar, conversation, translation, and the history and culture of different countries are among the several areas studied.

# Mathematics is the Basis of All Sciences

Have you ever delved into the realms of X and Y or squares, circles, and triangles? For the math student these are everyday experiences. With "New Math" as the teaching basis, rules are appearing more often to give a student the answer to math's numerous questions.

After all the years of basic mathematics, general math is presented in algebra courses through symbols rather than the use of numbers.

Geometry deals with logic and the relationship of space and its dimensions.

In the higher math of trigonometry, college algebra, analytical geometry, probability, and statistics, students find new areas of interpretation opened to them. This year a new electronic calculator was added to further studies for the probability and statistics students.

# Science Students Try Hand At Experiments Which Prove Old Truths, Develop New Ones

Delving into what is now known and what is to be known in the future, science students studied biology, physics, and chemistry. They learned the principles and reasoning of science through experimentation and evaluation.

Rubberbands, tickertape, and sand-bags helped physics students determine the rate of acceleration of falling mass. Biologists utilized more conventional processes—viewing movies and conducting laboratory work to verify what they had seen. Correct and incorrect actions and reactions were obtained by eager chemists in their attempts to find out about heat and equilibrium.

Many young scientists worked hard on special projects and participated in science fairs and exhibits. Students found their new knowledge useful in practical, everyday situations.

## Fine Arts Provide Outlet for Student Talent

Combining quantity and quality has resulted in the formation of the new blue and white bands. The budding virtuosos in the bands and orchestras have developed a musical background ranging from classical to contemporary. All wanted to achieve perfection and feeling in their work as they strove to "act like professionals." Old tunes and show tunes were sung by music groups, and they achieved a unity and control of voices.

Aspiring young actors, actresses, and orators have learned the fundamentals of speech and drama. The students received instruction in subjects ranging from drama history to formal debate. They learned and entertained with their skills.

Art majors, using clay, pencil, pastels, and talent, expressed themselves creatively in a variety of imaginative projects.

"Vanity, thy name is woman."

"All right! I'm the director here and I said 'Attention!'"

# Exercise Changes Pace of Academic Schedules

In keeping with the state requirement for physical education, all students are obligated to attend gym or swimming classes at least once a week. Instruction in various sports is provided, as well as a welcome release from the regular classroom situation.

Roosevelt's "female half" puts forth concentrated effort in such activities as trampoline stunts and volleyball. Some choose to take lifesaving.

Basketball and wrestling constitute two activities popular with the boys. Proper development as well as coordination are stressed.

Practical preparation to meet the needs of modern business life is provided for Roosevelt students.

In addition, typing and notehand instruction for the academically oriented student is offered.

Representing the area of general preparation are commercial law, business math, salesmanship, and commercial geography. More specific vocational instruction is provided in bookkeeping, advanced typing, and shorthand classes.

Of specific interest is the Distributive Education program in which selected students spend their afternoons working for pay, while learning on the job.

## Domestic-Minded Girls Study Homemaking Skills

A basic knowledge of home economics is essential for every domestic-minded girl in today's masculine world.

Fundamentals of food preparation, sewing, and interior decoration, as well as home and family management, are included in the courses designed to prepare the "girls of today" for the "man of tomorrow."

# Expanded Facilities Enable More Students to Learn Fundamentals of Responsible Driving

With warnings of "don't forget to buckle your seat belt," and worries over parallel parking, many driver education students passed the Iowa driver's test and received their licenses.

Achieving the license resulted from extensive classroom teaching with textbooks and films about the function and operation of a motor vehicle. The students used the classroom knowledge in the simulators, where they reacted to various driving conditions. Driving experience brought the assurance and ease of using the correct driving procedures.

Schedules, test scores, college plans, and grade points consume most of a counselor's day. # Various Services to Accommodate Students

Head Custodian Carl Moore has been picking up after Roosevelt students for four years. On occasion, he finds it necessary to seek solitude in "the hole."

This is truly "food for thought."

Utilizing efficient business methods, office employees are able to perform the varied and complex responsibilities associated with an institution such as Roosevelt.

Custodial duties require daily attention in order to maintain the school's classrooms, gyms, auditorium, library, and pool.

Each morning, 21 uniformed cooks arrive to prepare a variety of food. In addition to the regular menu, alternate and additional foods are made available for diet-conscious girls and hungry wrestlers.

Roosevelt is fortunate in having an excellent school library. Students wishing to supplement required research, or merely to "browse" through the magazines, go to the library before and after school, as well as during their study halls.

Responsible for the health and well-being of Roosevelt students, Mrs. Bridget Sweet performs many duties in her position as school nurse. Each year, thousands of medical requests, admits, and excuses are handled by Mrs. Sweet. She must see, also, that each student is weighed and measured and tested for optical defects.

## *Student Life*

*A student's life: a whirl of interests, laughter, projects, hopes, that goes on and on beyond the classroom—discoveries that change and broaden—skills that develop and are developed—and more. A student's life that is his own and his to share; a life to grow in.*

Fall Council officers Ron Liljedahl, Jim Troy, Pat Neal, Mark Wine and Jeanne Rubin earnestly discuss vital student council business.

## Fall Council's Spirit Sparks Its Activities

Spirit and unity was the result of the fall Student Council's many activities.

With Mark Wine presiding, the Council faced the problem of misconduct at the Roosevelt Shopping Center, tackling it by discussions with student and business representatives; spurred community responsibility through the Bundle Drive, the Toy Project, and the United Campaign; painted the Victory Bell to promote spirit; exchanged ideas with other high schools; and held the traditional Sophomore Mixer and Homecoming activities. Such projects as the Mr. Leg's Contest and tutoring for the settlement houses encouraged both teacher and student participation in Roosevelt's Council.

Orientation booklets, distributed at the first council meeting, and the efforts of the Project Planning and Evaluation Committee contributed to the success of these projects.

Jim Troy, first vice-president; Pat Neal, second vice-president; and secretary Jeanne Rubin aided Mark and the Student Council with their efficiency and enthusiasm.

The fall Student Court initiated new court procedures under chief justice Ron Liljedahl and six court justices. Ron's proposal for signed court slips became accepted procedure.

Who says beauty is only skin deep? Mr. Richard Treman likes to show off the legs that won the International Student Committee's Mr. Legs contest by collecting the most votes in dollars and cents during a week long campaign.

# Council Enthusiasm Sparks Traditional, Original Activities

Mark Wine effectively presided over the 1967 spring Student Council. Jamie Stimson, first vice-president, and Don Johnson, second vice-president, patrolled the cafeteria and student center respectively. Secretary Cindy Cochran tied all the loose ends together while chief justice Paul Jones dealt out judgements and punishment as head of the judicial board.

Active committees were on the move constantly. The Safety Committee kept the chief justice busy by handing out court slips and the Tutoring Committee provided a helping hand in the Roosevelt study halls. Getting the Roosevelt sign back on the remodeled campus was the business of the Projects Planning and Evaluation Committee, while the Human Rights Committee took the responsibility of arranging an assembly by a representative from the Des Moines Human Rights Commission.

Despite certain distractions, Mark Wine tries to lead a serious discussion of Tuesday's agenda with his officers. Listening attentively are Paul Jones, Jamie Stimson, sponsor Mrs. Marian Ehlers, Cindy Cochran, and Don Johnson

Bedecking their car with balloons of blue and white for the North parade, Mike Arnot, Tom Corcoran, and Tom Tompkins take their work seriously.

The Easter Bunny, alias Don Johnson, made a surprise appearance at the annual Student Council Easter Egg Hunt. Because of unexpected rains, the hunt was held in the Roosevelt cafeteria and hopped along to a rollicking success. Toni Sarcone's Community Service Committee sponsored the hunt for 18 underprivileged children.

The council converged on Camp Sunnyside early in May for its traditional cleanup project.

In yet another service project, the council Red Cross Committee collected bags of toys to be distributed by servicemen to orphans in Viet Nam. The council also instigated a drive to raise the money necessary to support an overseas orphan for one year.

## Tradition, Spirit Mark Homecoming Festivities

Blue and white could be seen every where throughout the throbbing halls of Roosevelt as students anticipated Homecoming events. Friday, October 28, girls wore traditional mums, a queen was crowned, and the Girls' Club Board revived "true Roughrider Spirit" in an assembly.

The next afternoon, Roosevelt met East in a football game. Eight-hundred blue and white helium-filled balloons loomed skyward as queen Lea Small was introduced to the cheering crowd. The Riders won the game and, as the crowd victoriously mobbed the field, the team carried off Coach Don Prior triumphantly on their shoulders.

That evening, the Spartans supplied the music for the satisfied students as Homecoming festivities were concluded for another year.

Nothing like an audience of 3,000...

Junior Carol Young; seniors Jean Teigland, Judi Ahlen, Joanne Wooters, and Patti Burns; and sophomore Gretchen Heggen reigned as Lea's royal court.

Being captain of the football team isn't all work, as Frank Coppola deftly demonstrates while crowning queen Lea Small at the pep assembly Friday.

Claiming they're number one, Roosevelt rooters surround a defeated East team following the Homecoming upset.

Mums the word!

Even though he's lying down on the job, Odin scores a victory in the Girls' Club Crazy Cake Contest. Seniors Judy Starr, Sue Krohmer, Joanne Wooters, Sheryl Storey, Linda Sampson, Loni Rupp, and Patti Wolf, created this masterpiece of culinary art.

Lea Small, a queen in every way, reigns over Homecoming 1966.

Homecoming 1966 was highlighted by the coronation of senior Lea Small as homecoming queen. Cheerleader, Teen Board representative, Leader, and Girls' Club Board member, Lea lent beauty to the week-end homecoming activities.

## International Atmosphere Pervades Roosevelt Halls

Learning, teaching, and enjoying, foreign students bring new ideas, become a part of Roosevelt and carry back with them an understanding. Twelve foreign students represented nine different countries at Roosevelt this year.

Students on the Youth for Understanding program were Annette Borns, Germany; Marc Fahler, Finland; Marion Bentos Pereira, Uruguay; Norma Armendoriz, and Enrique Droller, Argentina; Lucia Ponce, Chile; Fernando Erana, and Arturo Molier, Mexico. The American Field Service was represented by Maria Briones, Ecuador, and the International Christian Youth Exchange by Eric May, Switzerland. Guillermo Saavedra, Chile represented the American Youth Exchange, and Sven Sanchez, Guatemala, added to the international atmosphere at Roosevelt.

Stopping for a peek at the books on the library shelf are foreign exchange students Marc Fahler and Sven Sanchez, with former YFU student, Steve Hutchings looking on.

"How do you say 'help' in English?" asks Guillermo Seanadra from Chile, as he deposits his cartons for the International Student bottle drive.

Debbie Caldwell returned for her final senior semester after a year on the American Field Service program in Australia. In Sweden for a year on the AFS program, Jeanette Ludwig and her adopted family live in Varusborg, Sweden.

To raise funds for the international programs, the International Student Committee instituted pickle and homemade cookie sales, a concession stand at sophomore football games, a showing of "Breakfast at Tiffany's," a pop bottle drive, and a "Mr. Legs" contest, in which students voted by donations for the most beautiful male faculty members' legs. Funds were also received from Roosevelt clubs and receipts from the Student Council Fun Night.

## Spirited, Active RHS Life Captured in '67 Yearbook

Student council projects, Homecoming, foreign students; the story of sports events and honors; club activities, dramatic productions, and the Spinsters' Spree—all are described, illustrated, and remembered in the Roosevelt annual. Under the direction of Mr. Donald Haley, heading the journalism department, and the hard working staff of annual editor Penny Kent, the diverse aspects of school life are presented.

In the fall, committee chairmen and members were chosen, and work on the 1967 annual began. Page by page and deadline by deadline, the work progressed in a united effort to portray the spirit of Roosevelt and the functions of its divisions. Pages were carefully planned and spaced, photographs selected, and copy written and re-worked.

A concentration on artistic page lay-outs and recording meaningful events as they occurred heightened the work of this year's staff.

The student center, the progression of the freeway, the blue and the white—this is 1967 at Roosevelt. Through the production of this year's annual, it will never be forgotten.

# Students Become Journalists With Staff Experience

Opportunities to study many phases of the journalism field are increasing at Roosevelt. Journalism I instructs students in the basic techniques of journalism; Journalism II gives students the experience of editing and distributing a bi-weekly newspaper; and the new Journalism III course is devoted to the study of depth-reporting and working on the annual.

Under the supervision of Mr. Donald Haley, journalism teacher, sixteen issues of the Roundup were distributed. During the first semester, nine issues were put together by a staff of Journalism II students headed by editor Barbara Ewald. The second semester consisted of three separate staffs. The first staff, edited by Toni Sarcone, organized two issues. The second staff was headed by Harlan Jacobs, and a third staff was organized too late in the semester to be named in the annual.

Because of increased enrollment and student interest this year, Mrs. Edith Bjornstad took over one of the Journalism I classes.

## Cheerleaders Spur Riders to Victory

The twelve girl cheerleaders, headed by Kathy Baugus, are the unified group that stirs the student body's spirit. Pep rallies, victory assemblies, games, and decorating locker rooms are all part of the cheerleaders work. They are sponsored by Mrs. Eula Cole.

"Bopp 'em" is the motto of the six boy cheerleaders, sponsored by Mr. John Barrett. The co-ordinator of this spirited team is Don Johnson.

From the first sophomore football game to the last track meet, the cheerleaders add that special Roosevelt pep and spirit to each and every event.

## Sharks, Leaders Clubs Assist in Gym Classes

The Sharks Club is composed of girls who specialize in synchronized swimming and who help teach girls' swimming classes. The highlight of the year was their pageant "Fanastasia of Feeling."

The club's fall officers were Becky Moore, president; Vicki Jensen, vice-president; Sherry Shay, secretary; and Linda Izumi, treasurer. Spring officers were Pat Verfurth, president; Vicki Deremiah, vice-president; Kris Bartley, secretary; and Pam Potthoff, treasurer.

Girls' Leaders, chosen on their athletic skill and knowledge, served as gym assistants. Intramural activities were sponsored by the club.

Fall officers were Kathie Andriano, president; Mary Beth Minear, vice-president; Linda Moon, secretary; and Marcia Moorehead, treasurer. Spring officers were Cindy Shirley, president; Barb Bliss, vice-president; Kathy Grovenberg, secretary; and Pat Shirk, treasurer.

## Boys Sell T-Shirts, Design Victory Flag

A new symbol of the Roughrider spirit—the victory flag—emerged as the Boys' Club swung into action to instill enthusiasm and loyalty in Roosevelt boys.

As the year progressed, the boys bought a series of plaques recording athletic achievements, sold "Go Rider" and "Odin" buttons, raised money to buy new wrestling uniforms, rewrote their constitution, sponsored a water-polo game, and sold over 500 Rider T-Shirts.

Club sponsorship changed hands this fall when Mr. Don Blackman was replaced by Mr. John Barrett. During a short ceremony at the East basketball game, an engraved plaque was presented to Mr. Blackman.

"Not only is this shirt economical, but it can be worn anywhere...even to the Prom," explains Bruce Heilman to Bob Jurgenson.

Girls' Club Board. FRONT ROW: Toni Sarcone, secretary; Patti Burns, president; Linda White, vice president; and Linda Laughlin, treasurer. SECOND ROW: Sue Rood, Judi Ahlen, Mary Beth Minear, Vicki Jensen, Mary Housh, Lucy Blount, Jeanne Rubin. Having their picture taken is a novel experience for the convalescent children whom Jackie Newlin and Ellen Kramer are visiting.

## Girls' Club Provides Community Services

Soon after a flower-decked installation last spring, the Girls' Club officers and board began planning committee activities and the Spinsters' Spree.

Roosevelt girls served the community through Saturday visits at the Home for Sightless Women and Childrens' Convalescent Home. Under the direction of Mrs. Velma Cross, club sponsor, food, clothing, and toys were given to needy families at Christmas and Thanksgiving.

The pride and joy of Roosevelt spirit were the energetic and uniform girls' pep section, Blue Cadets, and "Smash North" ribbons all sponsored by Girls' Club.

Linda Laughlin, Mrs. Cross, and Trudi Bringenberg are ready to deliver food to needy families at Christmas.

Even though she doesn't have on a button-down collar blouse, Linda Neufeld and Mary Pritchard decide to punch Kathy Melcher's pep club card.

# Spinsters Treat Boys At "Once Upon A Time"

"The Mad Hatter's Tea Party" and "Never, Never Land" were all part of the Spinsters night out "Once Upon A Time." As the Spree of 1967 went down the Yellow Brick Road it wound past the Gingerbread House, the Wizard of Oz, Winnie the Pooh, and Huckleberry's pond.

The vivid colors of this storybook land were matched by the flowers presented each boy by his spinster escort.

Bionka Gilroy (alias senior Mary Housh) picked our Mr. Brooks (alias senior Sue Webster) in a "Dating Game" assembly advertising the Spree. But the choice was different Saturday night as Patti Burns, Girls' Club president, crowned Bob Shaw the "King of Hearts."

Anne Boydston tells Tom Merrill "Just stick the tree under your coat when nobody's looking."

"First you make me carry flowers, then I'm supposed to follow the Yellow Brick Road..."

"Not another love note to Mr. Fors!"

"Dear John..."

Bob Shaw, Man of the Year

Scholar, athlete, student statesman, Bob Shaw reigned as a true "Man of the Year."

The four other senior boys selected as candidates were Bruce Heilman, Ron Liljedahl, Ken Whitney, and Pat Neal.

## TRHS Runs Smoothly With Students' Help

By answering the phone, sorting admits and passes, and running errands, office assistants this year have helped the administration.

The nurses assistants provided valuable services, helped Mrs. Bridget Sweet, and administered first aid.

Students helped in the counseling department by making appointments and doing errands for the 6 full-time counselors.

Collecting fines, stamping cards, and checking literature in and out of the library were a few duties of the library assistants.

The science lab assistants cleaned lab equipment and corrected tests for the science teachers at Roosevelt.

The audio-visual assistants helped the teachers with the various mechanized teaching devices and film equipment.

Assisting with assembly programs, building and working with sets in production, and cleaning up after these functions are a few duties of the stage crew.

## Clubs Help Students Plan For Future Jobs

Learning with the future in mind was the common goal of various clubs around Roosevelt. Members with an interest in available jobs after graduation found these clubs educationally stimulating.

Two clubs which maintained their separate identities and yet held joint meetings were the Health Careers Club and Future Physicians. Speakers were professionals chosen for their knowledge and interest in health.

Future Teachers of America members were encouraged by the speeches of Drake professors and past club members.

Future Veterinarians Club, begun this year, was organized to inform and entice those curious about the field of veterinary medicine.

Trips to business establishments and talks by professional secretaries highlighted meetings of the Secretarial Club.

Meetings of the Math-Science Club were composed of talks and demonstrations by members on topics such as topology and related sciences.

Distributive Education Club members "went out on the job" and gained experience in the business world.

"If he bites me, we'll really have something to work on."

Listening avidly, Math-Science Club members soak in information which may prove helpful in future years in their various vocations.

Reading speeches proclaiming their duties and taking an oath, new Future Teachers Club officers are installed as the old officers relinquish their jobs.

Girls of the Secretarial Club listen intently to one of their guest speakers.

Mr. Randall Fossum, sponsor, distributes some of his knowledge to DECA Club members.

Heart pacemakers, X-Rays, and physical therapy highlighted some of the speeches for joint meetings of Future Physicians and Health Careers Club.

## Various "Fun" Clubs Provide Entertainment

The Equestrian Club is for students interested in horses. Activities include guest speakers and picnics. The officers this year were Jill Latchem, president; Marilyn Wessels, vice president; Jean Parker, secretary; Sarah Allender, treasurer; with Mr. Keith Carlson serving as sponsor.

The purpose of Homemaking Club is to teach girls about the various fields of home economics by bringing in speakers. Members toured the department of home economics at Iowa State University. The officers were Ann Kirfman, president; Jane Innes, vice president; Sue Krohmer, secretary; and Jane Bishop, treasurer. Miss Ruth Baumgartner sponsored the club.

Several Equestrian members discuss possibilities of another horse show with Mr. Keith Carlson, sponsor.

Students interested in playing or learning to play bridge organized the Bridge Club. The officers this year were presidents Barb Sands and Margaret Sullivan; vice president Dave Franklin and supply chairman Allen Brown. The sponsor was Mr. Donald Gonnerman.

Folk Music Club is made up of students who like to sing, play a guitar, or just listen. Each member is given a chance to play for the group. The officers were chairman Paul Wilson, and the board: Bob Black, Cathy Avis, Vicky Wells, Karen Wednay, Nancy Gustafson, and Stephanie Grove. The sponsor was Mr. Ben Norman.

The Chess Club was organized by students who enjoy chess. They hold tournaments among themselves and with other schools. The sponsor was Mr. Thomas Scott and the officers were Robert Landweher, president; Dan Harger, vice president; and Jim Rogers, secretary.

The Rope Jumping Club teaches basic skills to its members who then create their own routines performed to music. The club has performed before various schools, at the PTA open-house and at the Convalescent Home for Children. Mrs. Eula Cole was sponsor.

No, they aren't Village Stompers. Rick Lucas and Brian Lewis are members of Folk Music Club.

Homemaking Club members gather to view slides presented by a guest speaker.

"Teddy Bear, Teddy Bear—turn around..." sing rope-jumpers Janet Peterson and Abbie Jones.

"All trumps!" and "Who dealt this hand, anyway!" are sample exclamations from Bridge Club members.

"Aha! I got him right where I want him," thinks David Holle, as his opponent Ron Barns prepares to make a dastardly move.

CAMERA CLUB member Mike Mitchell is ordered to burn the films of the last meeting.

John Nitzke keeps on trying!

## Students Demonstrate Specialized Interest

DEBATE CLUB, sponsored by Mr. David Grosland, engaged in two tournaments at Valley. Under the successful leadership of Glen Sutherland, president; Jim Silverman, vice president; and secretary, Cindy Kreig, the club won ten out of twelve debates held.

CAMERA CLUB was organized to instruct anyone with interest on the operation and use of camera and film developing techniques. The members, under the leadership of Owen Hayes as president, provided pictures for the annual and newspaper editions and processed their own film in the school darkroom.

HAM-RADIO CLUB was very active with setting up radio demonstrations for the PTA Open House and engaging in their own research dealing with meteorological data seekers. With president Cliff Davidson, the members succeeded in contacting various high school stations throughout the country with the school call letters WAO QJX.

LATIN CLUB was sponsored by Mrs. Joyce Fant and headed by Roy Williamson. Through its varied activities, Latin Club endeavored to promote interest in Latin and Roman history. A state convention where the members met others in Latin Clubs throughout Iowa highlighted the year.

"Our plans for contacting China this meeting didn't work out as well as planned," Cliff Davidson informs fellow ham-radio operators.

Cliff Davidson leads Latin Club members Dave Kramer, Roy Williamson, Lois Larson, Peggy Troxel, Martha Green and Emily Perkins in a rousing chorus of "Veni, Vedi, Vici."

Carmi Soifer, president; Sue Johnson, vice president; Colleen Higgins, secretary; and Helen Matthews, treasurer; helped SCRIBBLERS CLUB function for the purpose of improving original writing skills.

"Pretty bad, isn't it?" asks president Carmi Soifer of Mr. B. A. Freimuth, sponsor of Scribblers Club, as Colleen Higgins and Sue Johnson look on.

Students with verbal skill practice on one another in Debate Club. Members are Kathy Johnson, Paul Easter, Cindy Krieg, Glenn Sutherland, and Brian Schiffler.

The NATIONAL THESPIAN SOCIETY is composed of members who participated in school dramatic productions and earned the ten points necessary for membership. Meetings led by Carmi Soifer, president; Diane Akin, vice-president; Beth Woods, secretary; Becki Yapp, treasurer; and Carol McClurg, scribe; included a candle-light ceremony installing new members, skits, original presentations, guest speakers, and joint programs with other troupes in the city. Also enjoyed at the meetings were movies of previous Roosevelt play productions. Highlighting the year's activities was the State Competition of Speech and Dramatics. The members triumphantly took first place in many selected phases, competing with other dramatic troupes throughout Iowa.

Restfully smiling after their frantic antics, some Thespian Troupe members gather. Officers Diane Akin, Carol McClurg, Carmi Soifer, and Becki Yapp are seated. Not pictured: Beth Woods. Standing are Paul Moore, Diane Webster, Bob Waldinger, Brian Reese, Deena Barton, Dick Perry, Linda Moon, Claudia Stevenson, Karen Weiner, Pat Peterson, Fred Spence, Stanlie James, Cindy Cochran, Linda Griffin, Anne Boydston, Debbi DeCorpo, and Ken Mitchum.

Attired in their cowgirl outfits and pom poms, thirty-six Riderettes add a special boost to half-time entertainment and pep assemblies. The girls, sponsored by Mr. Bagley, also performed in the Viesha Parade, the Armed Forces Day Parade, and the Drake Relays Parade. Cheri Paterson carried responsibilities as head riderette, assisted by Cheryl Jones and Sharon Stanfill.

Drum major Paul Micich co-ordinated marching band and Riderette efforts and led the Roughrider band through halftime routines.

As halftime soloist and an important part of the band routines, majorette Sherry Niendorf added sparkle and action to many performances. Winner of many honors, Sherry now holds the title of State Champion Majorette.

The eight high-stepping flag cadets, headed by senior Linda Knight, led the band onto the field during the "Star Spangled Banner" and performed during the halftime show, bearing the blue and the white.

Fifteen band and orchestra members succeeded in making chairs in the All State Band and All State Orchestra. District tryouts were held in Ames and the groups practiced and performed with the All State Chorus over Thanksgiving vacation.

## Choruses Produce Sounds of Music

Roosevelt's music department had the opportunity to work with a new music director this year. Mr. Delbert Schiebel, who got his schooling at Drake University, took over the many responsibilities in organizing the vocal groups for programs in the school year.

Under Mr. Schiebel's direction, three musicals were presented at Christmas-time: for the Rotary Club, a school assembly, and a PTA meeting.

The two lead singers for "Brigadoon", the spring musical, came from the Concert Chorus. A spring concert of the combined choruses for the PTA was presented.

Many new ideas for expanding the music department are being considered. One possibility is to make Concert Chorus a full-time subject next year.

Concentration is the key to the success of the Girls' Glee Club as they prepare their part in the spring concert.

## Student Dramatic Efforts Enhance Roosevelt Stage

From the infamous night of January 16th, through three eras in old England, and on to the make-believe land of Brigadoon, the Roosevelt drama department effectively demonstrated a variety of skills.

A murder, a lost needle, and even a disappearing community added excitement to the performances. The audience itself joined in for the fall mystery, Ayn Rand's "The Night of January 16th." Jurors were selected at random each night and were cautioned to examine all evidence before reaching their verdict.

"An Evening of Comedy and Mime" consisted of three classics: "Gammer Gurton's Needle," "She Stoops to Conquer," and "The Importance of Being Earnest." The selections traced English drama from slap-stick to situation comedy. "The Importance of Being Earnest" went on to the Iowa State Speech Association Contest and received a "1" rating.

Led by master mime Mary Beth Minear, the nine mimes actively became a clothes washer, hairdresser patrons, and melodramatic heroes and villains between curtains.

Mr. Roger C. Anderson directed the plays.

Guilty!

"Do you really want to know what I was doing the night of January 16th?"

"I'm supposed to be having the cast party?"

"Where did you say stage center was?"

"They didn't tell me at tryouts that rehearsals would be such a drag."

"We'll never get a 'I' at State Contest if we just stand around like this."

Meg Brockie (Anne Boydston), Brigadoon's coquette, sings to the Brigadoon clans (concert chorus) of the "rarity" of her mother's wedding day.

## Mythical 'Brigadoon' Outstanding On Stage

A devoted cast delighted enthusiastic audiences as the legendary town of "Brigadoon" came to life on the Roosevelt stage.

Brigadoon, a town that comes to life only one day every 100 years, is the setting for the love story of Fiona MacLaren, a Scottish lass, and Tommy Albright, a hunter from New York, who happens on this village in the highlands of Scotland.

A brilliant joint effort of the drama and music departments, led by Mr. Roger Anderson, Mr. Robert Bagley, and Mr. Delbert Schiebel, and ably supported by stage and sound crews, set designers, and choreographers, "Brigadoon" was one of the school year's outstanding moments.

Frank (Jim Akers) the bartender gets an earful from Jeff Douglas (Tom Thompson) who relates his outlook on life and love after an unusual trip to the Scottish highlands.

Fiona MacLaren (Cindy Cochran) thinks of her prospects of becoming a bride as she watches her sister Jean (Deena Barton) marry Charlie Dalrymple (John Hertel). Andrew MacLaren (Ken Mitchum) and Mr. Lundie (John Morgan) look on.

Fiona MacLaren (Cindy Cochran) and Tommy Albright (Dave DeHamer) meet for the first time in the market place.

Carmi Soifer, student director, gives Dave DeHamer, "Brigadoon's" lead male singer, some encouragement before curtain time.

Maggie Anderson (Chriss East) shows her grief in a mournful ballet over the body of Harry Beaton (Brent Barry) who died trying to escape from Brigadoon.

## Sports

*Determination, a will to succeed — and a sportsman is formed. His is a constant effort to improve himself so that he can always give of his best. His is an ability to exert himself for a goal, and to recognize as his own a difficult challenge. He alone tries, or aids others with their attempts. With or without triumph or glory, his is an achievement.*

# Rider's Season Capped by Victory Over East

This was the year! Roosevelt High School, annual football power, was rated a strong favorite to occupy the cellar in the city standings. The team was young and inexperienced, and no superstars appeared in the picture. Most important of all, many believed that Roosevelt's student body would be content with the experts' pre-season poll. This proved to be an incorrect assumption. The inaccuracy of these statements only bolstered Roosevelt's incentive. This became Coach Don Prior's ninth consecutive winning season.

Rider Coaches Charles Maguire, Bob Anderson, Joe Blaskovich, Ron Adcock, Don Prior, Al Comito, and Tom Reed beam over a successful season.

# A Team Named "Desire"

In a season when teamwork was the key to success, there still were individual plays which caught the fancy of the fans. Joining the illustrious football tradition of Randy Duncan, Mark Manders, and Dan Grimm were such stalwarts as Frank Coppola, Ken Burdick, Jim Peterson, Bob Shaw, Beadle Stewart, and Ken Whitney.

Peterson's passing in the East game, Whitney's spectacular run in the Ames finale, Stewart's dash in the North encounter, Coppola's spectacular interceptions—all created memories that Rider fans will cherish through the years.

The result of teamwork and individual effort was one of the finest season's records ever put together by a Roosevelt football squad.

The Roosevelt sophomore football team produced a victorious season record of 7-1-0. The Riders' offense proved successful and the defense strong, as they outscored their opponents 195-70. Much of the credit for this winning season must go to head coach Tom Reed and assistant coach Joe Blaskovich, and student coaches Dee Bodin, Randy Stevenson, Rob Gruen, and Dave Harrison.

Led by such players as Mike Hickerson, Cliff Slaughter, Junior Barlow, and Mark Crandall, the Roughriders captured the sophomore City Title. Key victories over Newton, North, and East overshadowed the season's only loss, which was to Dowling.

"This year's sophomore team was one of the finest in Roosevelt history," boasted Coach Reed.

Again this year, the Roosevelt cross country team proved to be one of the best high school teams in the state. The harriers won their duel meets easily and gained their second straight City Title. Team effort and excellent coaching by Charles Greenwood and Bernard Fors joined together for a winning combination, and the Riders won the City Title and the Mike Augustine Invitational. Co-captains Jim Feree and Pete Jones sparked the team throughout the season. The cross country season ended successfully with a third place finish in the State Meet.

## Rider Grapplers Earn Success and Experience

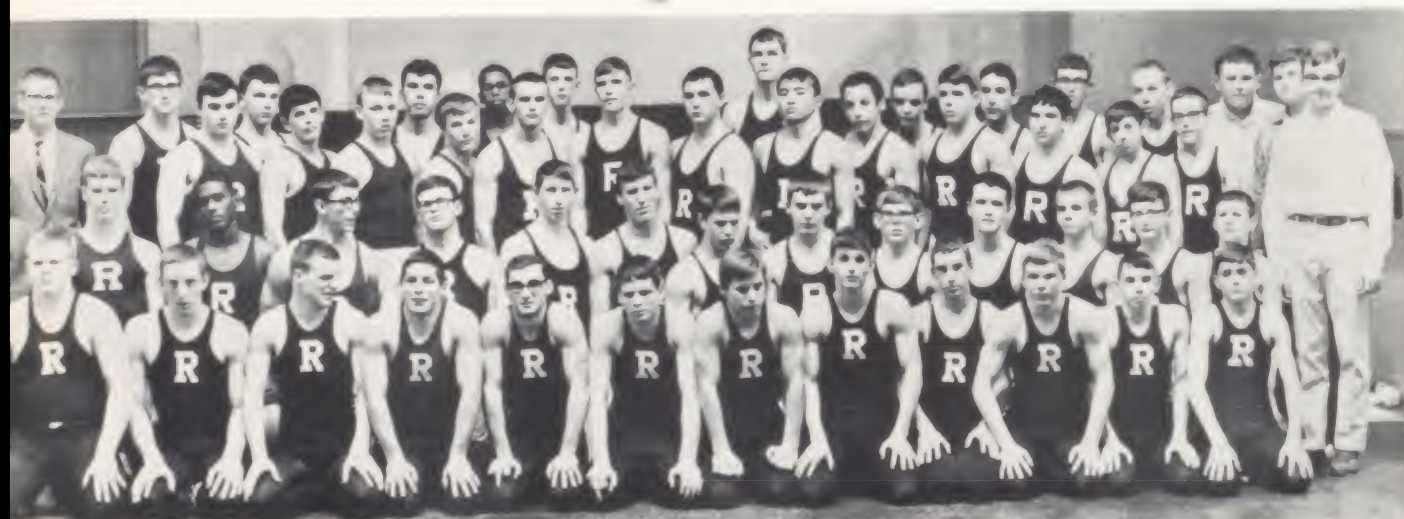

Although hampered by inexperience and injury, the Roosevelt wrestling team produced a fine season. Under the coaching of John Shaffer and Kent Babcock, the grapplers came through to win important meets and to place third in the City Series.

Captained by seniors Bruce Heilman and Mike Evans, the Riders had many fine individual efforts put forth. At the South East Polk Invitational Doug Stark, Ken Brody, and Denny Deremiah won their individual classes and helped the Riders place second in team standings. In the City meet, Steve Hutchings and Denny Deremiah led the grapplers. Roosevelt again placed high in the Sectional meet with four champions, Mike Evans, Denny Deremiah, Steve Hutchings, and Ken Brody.

The sophomores were undefeated in City Series competition and lost only to Valley.

# Press, Hot Shooting Give Cagers 18-4 Mark

A young and inexperienced squad was molded by Coach Al Comito into a team that missed qualifying for the state tournament finals by only three points. Sporting but four seniors, the Rider squad mowed down Valley 61-46, Tech 66-50, and Creston 87-50, only to stumble 62-59 before North, a team which placed fourth in the state tournament.

Captained by Ken Whitney and Bob Shaw, the 1966-67 team had a season characterized by a pressing defense, a sharp-shooting offense, and the dunk shot. One of the most publicized pre-season basketball prospects in the state, Toby Houston, made his first appearance in the Blue and White. This 6 foot 8 inch sopho-

more's "stuffs" thrilled Roosevelt fans and won an honorable mention on the all-city team.

Only two teams, Ames and North, were able to crack the Roosevelt defense. Although the Riders lost three contests to North, the scores did not indicate the tightness of the battles. In each game, the victor was not decided until the closing seconds.

In addition to their second place City Series finish and regional and sub-state victories, the team compiled many individual honors. Ken Whitney was picked first team all-city and second team all-state. Senior center Bill Johnson was awarded second team all-city and all-state honorable mention.

Rider sophomore Toby Houston clears the boards.

Gordon Gottchalk floats through the air as he drops in a goal.

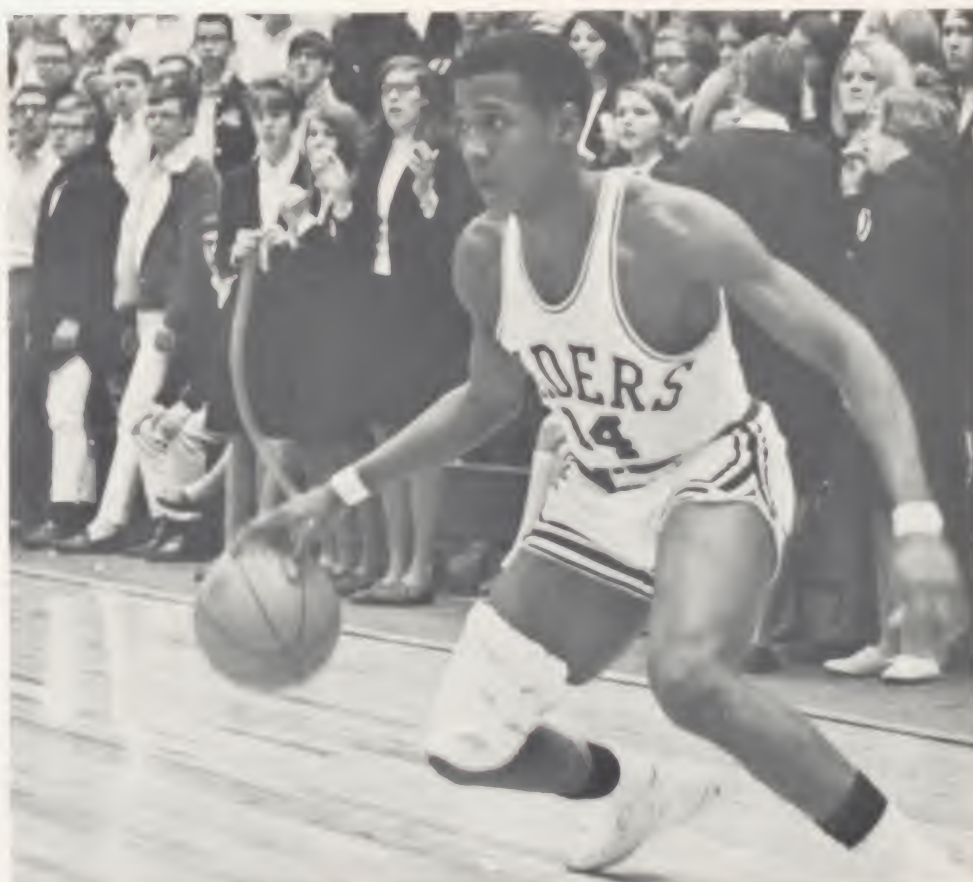

Bill Johnson goes high to score a Rider basket.

Bob Shaw uses strength to outmaneuver his opponent.

Quickness and agility, these are the qualities that made Ken Whitney an all-stater.

Compiling a 17-1 record, the sophomore basketball team was one of the finest ever to play at Roosevelt. Suffering only an opening game loss to Newton, the Little Riders completely overwhelmed the rest of their opponents. Coupling a high scoring offense with a tenacious defense, the team easily won the city championship.

Utilizing a balanced attack, the Riders averaged 66.1 points per game on offense and held their opponents to a defensive average of 46 points per game. Paced by Grover Hahn, Gene Ellefson, and Bob Winblade, these three were both the leading scorers and rebounders. Winblade also received the honor of being placed on the tournament team.

Depth highlighted the Roosevelt swimming this year. With few apparent stars, the Tankers took enough seconds and thirds, to outscore their opponents in every dual meet except Cedar Rapids, Washington, which later went on to win the state championship.

Paced by sophomore diver Steve Spikes, the Riders won their 37th consecutive city meet and tenth straight district title. Spikes was beaten only by team-mate Mike Johnson. Spikes and Johnson placed one-two in both the city and districts meets, and at the state meet at Ames, Steve exemplified the form of a state champion diver.

Undoubtedly the closest meet was for the district title. Sioux City Central, pre-season favorite, was edged out by a determined Rider Team.

Besides Spikes and co-captain Mike Johnson, Jim Kenworthy, Rob Stickler, Steve Schropp, Mike Downing, and co-captain Jim Spevak were other strong performers.

# High Hopes for City Title as Four Return

A predominantly sophomore and junior tennis squad still had the balance to give the Riders still the prospect of a successful 1967 season. Senior John Thelen and juniors Mike Hines and Jim Wellman provided the nucleus, and a strong group of sophomores pushed for recognition.

Mr. Guy Michener returned as coach after an absence of 15 years, in a season when Lincoln was an overwhelming favorite for city and state championships. High points of the early season included the Bobcat Invitational and a dual meet with Lincoln.

## Experience is Key Factor for Title Hopes

Cindy Shirley concentrates on perfecting her serve.

The Roosevelt girls' tennis team was a strong favorite to capture the city title again this year. The squad lost only two members of last year's team, and had important experience with which to work. Seniors Cindy Shirley and Abi Proctor were elected captains, and with Katy Fletcher gave the team high hopes for a championship at the state meet. Mr. Guy Michener also became the coach of the girls' team. The Lincoln dual meet was expected to decide the city title. Other important events included the City Indoor and Outdoor tournaments and the district and state meets.

Junior Katy Fletcher reaches to return the serve of her opponent.

## Roosevelt Golfers Seek State Crown

The Roosevelt linksmen were strong again this year and won their 22nd straight city championship. The nucleus of the team was built around the four returning letter winners Brad Schuchat, Arny Engman, Jon Hoak, and Gordon Gottschalk. Adding to the golfers' depth were Reed Prior and John Wilson, both of whom gained some experience last year.

## Individuals Spark Girls' Golf Team

The girls' golf team was strong again this year as 7 letter winners returned. Seniors Sue Allender and Barb Fanning headed the squad and sophomore Kathy Schuchat showed great promise. The rest of the team was built around Trudi Conkling, Debbie Backman, Barb Bliss, Chris Lyon, and Patti Ryden. Mr. Clark Munger coached the girls' team. The closest match was an early match with Valley, which the Riders lost 135-140. The Riders were expected to do well in the state tournament.

## Talent and Determination Lead Trackmen to Victory

The blue and white "DMR" was a familiar sight leading the pack this season. After a strong finish in the Indoor Federation Meet, Roosevelt blasted Valley 108-25 in their first dual meet.

The Rider fortunes rested mainly in middle distance strength. The record setting two mile relay of Ken Burdick, Phil Dorff, Frank Sergio, and Jim Ferree returned intact from last year. Individual standouts included hurdler Don Podrebarac, milers Pete Jones and Bob White, and high jumper Ron Liljedahl.

Scott Kirkpatrick and Craig Thornhill, discus throwers, paced the cindermen in the field events. Combined with the runners, this squad possessed some of the best track talent at Roosevelt in many years.

Coach Greenwood commented, "With the talent we have, there is no reason why this team could not be considered the greatest in Roosevelt history."

## Riders Gain Experience During Baseball Season

With only four returning lettermen, this year's baseball team faced a rebuilding season. Captained by Bruce Heilman and Mark Wellman, inexperience was the biggest problem facing the squad. The Roughriders possessed strong hitters in the presence of Bill Wallace, Mike Maher, Heilman, and Wellman. The pitching of Dave Isaacson, Bob Laurie, Chuck Mitchell, and Joe Pasternak, and the fielding of Brian Comito and Greg Lancellotti combined with the power hitters made Roosevelt top contenders for the city title.

# Teamwork Strong Point For Sophomore Glovemen

This year's sophomore baseball team was characterized by being strong in all phases of the game. Behind solid pitching, clutch hitting, and smooth fielding, this squad posted a victorious season. Led by such individuals as Grover Hahn, Mark Crandell, Mike Hickerson, Larry Shirk, and Gene Ellefson, the team was a city leader. Mr. Reed, coaching his first season, did an excellent job in molding the team into a working unit.

# Junior Varsities Add Strength to Sports Program

The junior varsity basketball team was undefeated this season and ended with a 11-0 record. Senior Bob Revell was the top scorer, while senior Jim Russell led in rebounding. The climax of the season was the final game when the Riders defeated North 76-75. Another key victory was the Rider's win over the Ankeny varsity 48-36. The Ankeny team won their conference and had led the North varsity at half time in another game. Mr. Bob Anderson coached the JV.

The junior varsity swimming team also fared well this year. Mr. Clark Munger, former varsity swimming coach, led his team to a 2-1 record. Top swimmers included Phil Spevak, Tom Corcoran, Mike Knapp, and Eric Tesdell.

With only three weeks to practice, Bill Crispin and Mrs. Camille Tech organized twenty girls into Roosevelt's first girls swim team. ## Seniors

*A time of change, a time of thought—a time to become what one is to be. An entire past and an exploding present must somehow form a palpable future. Ideas gather, some becoming the beginning of action. Thoughts with nostalgia and with hope come quickly, and are kept close until they become a part of the self—the aware self with an unbeatable courage, anxiety, and impatience for the future.*

The 1967 graduating class was composed of athletes, of leaders—a group unified in spirit, with the courage to differ in thought and ideas. Each gave of himself because it was his year, to grow and to achieve individually. It was a year to prove the worth of a class to Roosevelt and to the community and to create the basis for its contribution to the world. The year held time for togetherness in joy and service, anxiety and sorrow. Each day promised a progression toward the future and an opportunity to prepare for it. The beauty of the year lives in its challenge, its success, and its fun—but most of all, its promise.

## *Underclassmen*

*In a constantly broadening realm lie opportunities to discover and rediscover knowledge and self. Students young and eager to question, to seek, to belong, to form, and to be formed, move forward. Entering as strangers, they become contributors—and emerge as leaders.*

Like all good (and bad) things, underclassmen life comes to an end. But when juniors, and someday even sophomores, become seniors, they will remember an arctic innovation of the spirit of mighty Odin...

... hours snatched from a busy schedule for library study...

...and the excitement of the sophomore mixer.

*An enlightened business and professional community makes possible the publication of the Roundup through its patronage and support. The alumni, parents, businessmen, doctors and all others who purchased space not only provided an enriching educational experience for students directly involved in producing the annual, but, most important of all, helped create a permanent record of the 1966-67 school year at Roosevelt.*

# YOUNKERS

*"Satisfaction Always"*

Each year Younkens offers a program for young people from the Des Moines area high schools . . . TEEN BOARD for junior and senior girls, and ADVISORY BOARD for junior and senior boys. The young people selected to represent their respective schools are chosen for leadership qualities, high scholastic standing, personal recommendations from school administrators and evaluation from members of the retiring boards, plus their interest and ability in retail and fashion. They participate in special fashion shows during the year, give talks in their schools and to other groups on good grooming, publish a monthly newsletter and work in various junior departments each Saturday. Younkens salutes the representatives from Roosevelt High School for a job very well done.

Left to Right: Sarah Helgerson, Lea Small, Bob Shaw and Bill Hutchison.

## **Where does education end?**

Everybody knows  
where education  
begins.

It begins  
with that first  
hungry search  
for nourishment,  
and it goes on  
through that first word  
and that first step  
and that first painful  
punch in the nose.

It grows taller  
as it grows familiar  
with letters  
and numbers  
and names of things  
and names of places,  
and answers increasingly  
more who's  
and what's  
and where's  
and why's  
and how's.

Everybody knows  
where education begins,  
but nobody knows  
where education ends —  
especially yours,  
except you.

And where your  
education ends  
depends mostly on you  
and how well you  
want to be able to answer  
questions like these —  
plus one more question, too,  
asked ever so frequently —  
"What can you do  
for me?"

# NOW WHAT?

A future exciting and challenging as never before awaits each of you graduating from high school this year. Yours is the future of the first man on the moon . . . the scientist discovering a long-sought cure . . . a jet pilot circling the earth in 60 minutes. All this and more will be yours, so plan your future carefully . . . wisely. And no matter where you go, or what you do, you can always depend on this full-service bank for help and counsel in planning the best possible future for you.

**"My school years  
were the happiest  
of my entire life"**

—Popular saying of  
American Parents

For more than 21,000 high school and college men, one kind of happiness is a McDonald's job . . . a chance to earn enough money to continue an education. Working as a skilled team, these young men make and sell an incredible 1,500,000 hamburgers every day, not to mention shakes and fish sandwiches and orders of French Fries numbering in the hundreds of thousands. Don't look now, but that happy McDonald's shake man may be an honor student. Don't knock it. His shakes are great.

The training of a  
mind is an exciting,  
lifetime adventure.

The mind may be  
taught, or it may be  
self-trained. But,  
no matter the method  
used, an education  
is never finished.

If serving your

# Conclusion

Every school year is made up of the same number of months, the same dances, sports events, vacations, clubs, concerts, assemblies and traditions. Yet each year has its own personality. Each year becomes unique when old traditions are modified by new approaches, new ideas, and new leaders. The purpose of the 1967 Roundup was to create a permanent record of that which made this year different from every other year.

The Roundup was published by Dilley Manufacturing Company. Body copy was set in 10 pt. Century Schoolbook Roman, headlines in 20 pt. and 24 pt. Century Schoolbook and 30 pt. and 36 pt. Bodoni Bold Italic, captions in 8 pt. Caledonia Bold Roman, and keylines in 7 pt. Caledonia Bold Roman.
